If for any reason you find it necessary to pay your Bookstore account in the Business Office, you will need to bring your receipt to the Bookstore. Those students who have credit in their Student Account and want to transfer funds to cover their Bookstore account must request such a transfer in the Business Office and bring their "Request to transfer funds receipt" to the Bookstore.

Academic Hoods and Robes

Graduates, now is the time to start contemplating the purchase of an academic hood and/or pulpit robe. It takes approximately 12 weeks for delivery because they are custom-made. The robes, hoods, and caps which we sell are from Bentley and Simon and in our opinion, they are the highest quality on the market at a competitive price. If you are interested in further information, stop by the Bookstore. (You will be required to wear a rental robe, hood, and cap at graduation, the cost of which is included in your graduation fee.)

Overseas Crusades' STEP program "Summer Team Evangelism-Philippines" is taking applications for summer '85 both for team members and leaders. Your primary involvement would be starting and teaching evangelistic Bible Studies in homes of community members. Applications must be in by April for the two month program (and by February for the six month program for which a limited number of volunteers will be selected). Contact Nancy McRae in SWM office for a brochure or talk to Marcia Reitmeyer who was a part of the program last summer. -- Dr. Paul Pierson

Security Awareness

It has come to our attention that peddlers have gone from office to office selling their products, including pots and pans. Some of you have inquired what you should do when such persons enter your office. Please be advised that such sales on campus are not authorized. Our campus is private and only those people who are here to see a student or employee or to conduct official business are authorized to enter our offices. You may ask any unauthorized visitor to leave the campus. If you encounter difficulties, you may call OPA (304-1111) asking them to escort the trespasser off the campus. Of course, such decisions will require use of common sense. But we do need to increase our security awareness. In being "innocent as doves" we need not be "sitting ducks"!
